At their meeting on Monday last the Board of County Commissioners decided to submit to a vote of the people the question whether Wood county exceed over \$50,000 in cost

The matter will be voted on at the coming fall election.

The Doctor Has Departed.

About three weeks ago a small sized gentleman giving the name of L. G. Gardner wearing a blonde mustache and a countenance that was not calculated to inspire very great confidence, appeared in Perrysburg and represented himself as a physician and surgeon of the homeopathic school. He was generally supposed to be looking for a place to settle down and establish a practice and a reputation. Well, he settled, but he didn't established much of a rep. that any one would care for; at least the foot-prints left behind him were rather unsavory. He rented rooms of S. J. Slade and tor a time seemed quite a gentleman but in the last few days his actions have been such that Mrs. Slade concluded he was not the kind of people to have in her house and informed her husband who introduced him to the street in short order and now the doctor is not to be seen in these parts.

> A Large Membership Present-Bowling Green Gets the Next Reunion.

The annual reunion of the 21st Reg't O. V. V. I. was held at Findlay on Thursday and Friday of last week.

There was a large attendance and the veterans enjoyed themselves as only the old boys in blue know how. Many of the veterans were accom-

panied by their wives and daughters. Capt. Wilson, who carries his 76 years of life's experience very lightly, presided over the meeting and conducted the programme in a manner highly pleasing to alt. The Captain is a veterain of the Mexican war as well as the late rebellion, is a remarkably well preserved man, with a bright mind, a cheerful disposition, and is a splendid entertainer.

R. M. McDonald, the accommodating Secretary was on hand early and looked after the interests of all.

The meetings were held at the Marvin Opera House. Mayor Winders welcomed the veterans in a neat speech and Hon. J. A. Kemball responded.

The camplire of Thursday night was very interesting and was made up of short speeches by comrades, excellent vocal music by the Emerson male quartette and other musicians, together with recitations by lady members of veteran's families, and others.

Senator T. J. Harbaugh, himself a veteran, delivered an address, taking for his subject "The Volunteer" in which he proved his knowledge of the subject by describing the various phases of life that were noticeable in army service. His address produced much amusement, and was highly pleasing in every respect.

The roll call demonstrated the sadfact that nine members had died during

The next reunion will be held at Bowling Green.

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Grisham, of Gaars, Mills La., has to say on the subject, viz. "I have been a sufferer from chronic diarrhoea ever John Perrin and wife spent last since the war and have tried all kinds of remedies for it. At last I have found a remedy that effected a cure and found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." Wood County Base Ball Pennant Landed at Prairie Depot.

base ball team defeated the Cygnet team on our home grounds by a score of eight to thirteen, and settled all doubts as to winning the pennant. General Manager Shayne was present, also the Risingsun cornet band which furnished some excellent music. Just before the game was called, Mr. Shayne marched around the diamond, followed by the band, while over his shoulders floated a banner bearing this inscription: P. D. Pennant Winners, 1897." There

gave vent to their feelings in cheers and applause. Thus it can be seen that Bowling Green, with her money and newspapers, which did so much boasting about her Senators, were not in it. On Saturday next, Rising Sun's ball

team will cross bats with Prairie Depot on our home grounds. The cornet band will be present and render music for the occasion, Mr. King and his men are stringing
